

Indiana Middle School State XC Championship

Lavern Gibson Championship XC Course

599 Tabortown St, Terre Haute, IN 47803

Meet Website <https://imsccc.org/>

Course Website <https://www.laverngibson.com/>

The 2022 Indiana Middle School Cross Country Championships are back at the Lavern Gibson Championship Cross Country Course in Terre Haute for the second year! As the host venue for countless national, regional, and high school state competitions, the staff at Lavern Gibson knows what it takes to host a quality event! As an added bonus, the Indiana Middle School Cross Country Championships will take place the same day as the Nike Valley Twilight Meet for high school athletes if anyone wants to stick around to watch that event after sunset. (Our high school team will not be participating since they have their conference meet that day.)
